

Ron Davis is the Vice President, Aivlys Solutions USA INC.

Ron Davis is a seasoned executive and entrepreneur with extensive experience in telecommunications, logistics, and transportation. As Vice President of Aivlys Solutions USA INC, he excels in strategic planning, sales, team leadership, and client relationship management.

He has led high-performing teams as a Regional Director and thrives on solving complex challenges through collaboration and innovation. Ron is especially enthusiastic about Aivlys's joint venture partnership with Jireh Global LLC, where shared visions are driving impactful, global solutions.

Passionate about creating access to affordable, reliable, and sustainable energy—particularly across Africa—Ron is also dedicated to helping others succeed and advancing food security initiatives.

A proud father of three daughters, Ron values God, family, and business. He enjoys traveling and cheering on New York sports teams, especially the Knicks. His work is guided by a mission to build meaningful partnerships that drive lasting, positive changes.
