

Dr. Modena Frye-Patch

Business & Human Capital Consultant: *Board of Directors - Aivlys Solutions USA Inc*

Dr. Modena Frye-Patch is a multidisciplinary consultant who helps leaders and organizations understand the human factors that drive performance, growth, and sustainable success. Holding a Doctorate in Applied Clinical Psychology, Dr. Frye-Patch brings a distinctive combination of behavioral insight, strategic thinking, and analytical expertise to complex organizational challenges.

With more than four decades of experience spanning psychology, education, healthcare, assessment, financial analysis, and community leadership, Dr. Frye-Patch helps organizations strengthen communication, improve problem-solving, support employee development, navigate change, and build more effective teams.

Her approach is built on a simple principle: **strong organizations are built by understanding people.** Dr. Frye-Patch combines psychological insight, cultural awareness, data-driven analysis, and strategic thinking to help leaders unlock human potential, strengthen organizational performance, and create sustainable growth.
